

**Notice of Change**  
**Substantial Amendments to the PY 2020 Action Plan**

In response to the COVID-19 Pandemic, the City of Muncie has received an allocation of \$1,099,212 of CARES Act funding, called Community Development Block Grant Coronavirus (CDBG-CV) funding. This funding must meet the same basic goals as the traditional CDBG program. The CARES Act allows the City of Muncie to apply for waivers to certain statutory requirements to implement a response more quickly. The City of Muncie will utilize waivers to allow for a shortened public comment for the 2020 Annual Action Plan amendment. This shortened period will be a minimum of five (5) days and will enable the City to expedite funding programs that meet community needs because of the COVID-19 pandemic. The City of Muncie is posting an amendment to its website at:
