Subject: Paving info for Council

City Council,

I wanted to provide you with the list of street paving. We posted a graphic on Facebook March 14th showing this info. But, I want to make certain that all of you are aware of the paving work that is scheduled. This way if you have questions from residents, you are able to respond to those questions. I broke it out by District and then included the complete list. Paving comes from multiple sources as you can see.

District #1- E&B will be paving the rest of Burlington and Meeker. Both of these are to begin in May and will be completed by July 4th. Also in your district we are paving 27th street, which you are aware of.
District #2- Amherst, Jackson, Petty, University, plus parts of Tillotson after AEP repairs.
District #3- 8th street (this week or next week), Perdiue (this week or next week), Ethel
District #4- Tillotson, Oakwood, McGalliard
District #5- Granville by E&B starting in May, Airpark, Walnut, Columbus Ave.
District #6- Elm Street, 5th Street, MLK (southbound lane), Hodson, Kitselman area by IN 32 Bridge on the Eastside.

The full list at this time:

City of Muncie 202

City Paving
