Sara,

I wanted to provide an update:

Our Public Works team is paving two streets on the southside this week. Next week they will be in your district to mill out two streets, weather permitted. The following week, they will pave these two streets. This will definitely cause some necessary inconvenience to the residents of the area. Our goal is to have both of these neighborhood streets (Oakwood and Tillotson) milled and paved prior to the start of the major work for McGalliard paving from Tillotson to Wheeling. McGalliard, which is being paved by E&B Paving is set to begin in 2-3 weeks.

- 1- Oakwood from McGalliard to Purdue
- 2- Tillotson from Purdue to Riffin.

I thought you could let your residents know so that they are aware. We will post this information on the City Facebook page as well.

Best regards,

Dan Ridenour
